# Fall 2017 - Important Dates

## **APPLY**

### **Early October, 2016**

The online application is available at [ontariocolleges.ca](http://ontariocolleges.ca).

### **November 21, 2016**

First date that 2017 / 2018 application data is sent to the colleges. This is also the earliest date that colleges may notify applicants that their application has been received.

### **February 1, 2017**

The deadline for applying to highly competitive programs. Applications received and paid for before this date will be given equal consideration by the colleges.

NOTE: Applicants for all programs are encouraged to apply before this date, as website volumes are highest at this time.

## **OFFER**

### **February 1, 2017**

Earliest date the colleges may release offers to applicants. Offers will continue to be issued until programs are filled or waitlists are established.

NOTE: Applicants who have not met admission requirements for a program may be notified at any time during the application process.

## **ACCEPT**

### **February 1, 2017**

Earliest date that applicants may confirm an offer of admission.

### **May 1, 2017**

The most common deadline for confirming offers of admission - but not the only one. Applicants should check their offers of admission for exact deadline dates.

### **June 15, 2017**

Earliest date that colleges may require payment of tuition fees.

# Data Transmission Schedule

Data files from school boards and / or high schools are due at OCAS on the following dates:

### **October 3 - 7, 2016**

Demographics, marks history, and current and projected registrations are due. OCAS requires marks history for all courses taken in grades 9, 10 and 11.

### **November 18 - 23, 2016**

First semester midterm marks are due. Schools may transmit interim marks for full-year courses as soon as they are available.

### **February 10, 2017**

For semestered schools: First semester final marks and currently enrolled second semester courses are due.  
For non-semestered schools: Interim marks are due.

### **April 24 - 28, 2017**

For semestered schools: Second semester midterm marks are due.  
For non-semestered schools: Interim marks are due.

### **July 7, 2017**

For semestered schools: Second semester final marks and proof of graduation are due.  
For non-semestered schools: Final marks and proof of graduation are due.

### **August 18, 2017**

For semestered schools: Second semester final marks (and / or summer school final marks) and proof of graduation are due.  
For non-semestered schools: Final marks (and / or summer school final marks) and proof of graduation are due.

Need help with your transmission files?

	Powerline Technician	24	84%
	Practical Nursing	80	77%
	Ultrasound	30	93%
<b>Selection process for non-oversubscribed programs:</b>	Open enrolment programs require that the applicant meets institutional requirements (OSSD or mature student status or equivalent) and meet the specific program requirements. If these are met, offers of admissions are made. Where any of the conditions are not yet met, conditional offers may be made. All conditions must be met before the start of classes.		
<b>Grade 11 marks:</b>	Grade 11 grades are used only when the admission requirement calls for either Grade 11 or 12 marks. If the requirement is Grade 12 math, for example, we would not look at the applicant's Grade 11 marks.		

<b>Dual credits/SHSM programs:</b>	College Connection, Exploring Art and Design, Videography, Exploring Early Childhood Education, Exploring Rock Music and Culture, Exploring Personal Support Worker, Exploring Corrections, Applied Technology, Math Foundations, Metal Fabricator (Fitter) and Welder – Level 1, Commercial Vehicle & Heavy Equipment – Level 1, General Carpenter – Level 1, Introduction to Health Sciences, Exploring Careers in Trades, Introduction to the Technology of Modern Mining, Introduction to Business, Exploring Physical Fitness and Leisure, Basic Food preparation – Team-Taught
<b>Alternate offers of admission:</b>	Yes. Where the applicant does not meet the admission requirements(s) for a chosen program, we will make an alternate offer to a program that will prepare the applicant to meet the requirements. The alternate program can be to Pre-Health Sciences (for health-related applicants), Pre-Trades/Technology (for technology-related applicants) or General Arts.
<b>Supplemental admission requirements:</b>	Currently, Cambrian College does not use admissions testing, except for Advanced Care Paramedic. Additional admission requirements are identified on myCambrian, the student’s secure web portal.
<b>Differentials:</b>	Cambrian College does not apply differentials/weights, as per Ministry requirements.
<b>Workplace pathways:</b>	Applicants who have workplace/essential/basic levels in required courses will be counselled to pursue Academic Upgrading, depending on their circumstances.
<b>Upgrading pathways:</b>	Academic and Career Entrance Certificate (ACE), which is a grade 12 equivalency. Information sessions held every Tuesday at 10:30 a.m. in room 2253. (705) 566-8101 x 7712.

**ADMISSIONS INFORMATION**

<b>2016 Admissions scores and selection process for oversubscribed programs:</b>	If a program is highly competitive we will rank applicants based on a pre-determined formula using required subjects. We will begin sending out offers for those programs to our highest ranked applicants on February 1. We will hold some offers for applicants who may register in second semester courses to meet requirements.	
	<b>Practical Nursing &amp; Practical Nursing Flex:</b> Minimum 12C, 75% each for English, Math, Biology & 1 additional science. Four course average of 80% to be competitive.	<b>Paramedic:</b> Minimum 12C, 75% each course for English, Math, Biology & 1 additional science. Four course average 96% to be competitive.

	<b>Other Highly Competitive programs:</b> OTA/PTA; Fitness & Health Promotion; Electrician Construction & Maintenance Coop Apprenticeship; Auto Service Tech Coop Apprenticeship Chrysler; Auto Service Tech Coop Apprenticeship TADA; Social Service Worker; Child and Youth Worker; Community and Justice Services; Medical Laboratory Technician; Firefighter Pre-Service Education and Training.
<b>Selection process for non-oversubscribed programs:</b>	Beginning February 1 <sup>st</sup> , and continuing until the program fills we send offers of admission to every applicant who meets the program requirements. Applicants can log in to <a href="http://centennialcollege.ca/myApplication">centennialcollege.ca/myApplication</a> to check the status of their application and whether or not the requirements have been met.
<b>Grade 11 marks:</b>	Centennial looks at grade 12 marks however in instances where the grade 12 course is in progress and midterm information is unavailable, we may issue a conditional offer based on their final grade 11 mark.
<b>Dual credits/SHSM programs:</b>	Centennial offers dual credits for a number of GTA schools. For more information: Sean Woodhead, Acting Manager, Pathways & Academic Partnerships <a href="mailto:swoodhead@centennialcollege.ca">swoodhead@centennialcollege.ca</a> Special consideration is not granted for Dual Credit or SHSM courses for admission. Some Dual Credit courses may be used as a transfer credit after beginning a program.
<b>Alternate offers of admission:</b>	Where possible, we will send alternate offers to related programs that best suit the applicant, based on their original choice and their grades submitted (or test scores). For some programs there is no alternate offer.
<b>Supplemental admission requirements:</b>	Supplemental requirements for programs, ie: portfolios, writing samples or letters of reference are listed on the program page in the full-time calendar/webpage. Communication is sent to the applicant to prompt action.
<b>Differentials:</b>	Centennial applies a 10 or 15% grade differential for some programs. These are by individual program and are based on the academic school's determination for the success in the program. <b>Please Note:</b> <i>The ministry is currently reviewing the policy of using differential when calculating admissions averages.</i>
<b>Workplace pathways:</b>	Students with Grade 12 Workplace English may apply to: Hospitality Services, Auto Body Repair Techniques, Motorcycle and Power sports Product Repair Techniques, or Food Service Worker.
<b>Upgrading pathways:</b>	English for Academic Purposes; General Arts and Science; Academic & Career Entrance(ACE)

<b>Selection process for non-oversubscribed programs:</b>	Varies depending on the program. Some programs have minimum admission averages and some programs require supplemental admission information.		
<b>Grade 11 marks:</b>	Where the minimum subject requirement is grade 12, grade 11 marks in required subjects may be used in the calculation of academic strength for those applicants currently enrolled in the required subjects. For example, where grade 12 math is a subject requirement and the applicant is currently enrolled in that course but no mid-term mark has been submitted, we will use the grade 11 math mark in the calculation of academic strength. In such cases, any offers of admission would be conditional upon the successful completion of the required Grade 12 course and the final grade in that course.		

<b>Dual credits/SHSM programs:</b>	Conestoga College, in partnership with the eight area school boards, offers a variety of dual credit courses and dual credit OYAP programs. Six Conestoga campuses, three high schools and four community venues are involved in various deliveries of dual credit pathways. During the year we offer “Explore Your Future Days” for students in grades 8 to 12. For more information please contact Rosie Hessian Dual Credit Manager/SCWI Coordinator at <a href="mailto:rhessian@conestogac.on.ca">rhessian@conestogac.on.ca</a> .
<b>Alternate offers of admission:</b>	Where possible, alternate offers of admission will be made to programs similar in nature to the original program and for which applicants meet admission requirements.
<b>Supplemental admission requirements:</b>	Depends on the program and may include mandatory information meetings, portfolios, interviews, resumes and/or questionnaires.
<b>Differentials:</b>	For all certificate, diploma and advanced diploma programs, secondary school marks for required courses will be awarded a 10-mark bonus as follows: Any U Level, any U/C or M level, any courses at the advanced level from the old curriculum – Advanced Level OAC. <b>Note: differentials will NOT be applied to academic strength calculations for any degree or graduate certificate programs.</b>
<b>Workplace pathways:</b>	The Conestoga Career Centre works with individuals to explore options to reach desired employment and education goals. **ADMISSIONS INFORMATION**

<b>2016 Admissions scores and selection process for oversubscribed programs:</b>	Admission is based on the average of four prerequisite senior-level (grade 11 and grade 12) subjects at the C, M or U levels, excluding co-op, plus any other admission requirements noted on the program page. Please see our website for details. Highly competitive programs for 2016 are as follows: Animal Care, Addictions & Mental Health (graduate certificate), Communicative Disorders Assistant (graduate certificate), Community Integration Through Cooperative Education, Child and Youth Care (compressed), Dental Hygiene, Electrical Engineering Technician, Occupational Therapist Assistant/Physiotherapist Assistant, Paramedic, Practical Nursing, and Social Service Worker.
--	--

<b>Selection process for non-oversubscribed programs:</b>	Academic requirements, plus additional requirements, for select programs as noted on the program page. Additional requirements can include testing, portfolio submission, questionnaire, interview, etc. Please see the full-time program page for details.
<b>Grade 11 marks:</b>	Where grade 12 marks are not available because a student is either in the process of completing, or is registered for, a grade 12 prerequisite subject, the grade 11 mark for the same subject will be substituted. If a grade 11 chemistry mark is not available, the average chemistry mark (final) from the previous year's qualified applicant pool for the same program will be used for ranking.
<b>Dual credits/SHSM programs:</b>	Dual credits are considered for credit transfer. While SHSM credits may help to prepare applicants for success in their program, they are not considered in the admission/selection process as a differential or advantage over applicants without SHSM credits.
<b>Alternate offers of admission:</b>	Durham College does not make alternate offers. Applicants who do not receive an offer to their program of choice are advised to contact the Student Recruitment & Admission Services office.
<b>Supplemental admission requirements:</b>	In addition to the academic admission requirements, supplemental information such as first aid and CPR certification, immunization records, and criminal reference checks may be required post-admission, for some programs. Please see our website for details for specific programs.
<b>Differentials:</b>	Durham College does not apply differentials to C, M or U level credits.
<b>Workplace pathways:</b>	Prerequisite subjects required for admission to Durham College post-secondary programs must be at the C, M or U level in order for an applicant to be considered for admission. We do offer individualized training in some areas: <a href="http://www.durhamcollege.ca/wp-content/uploads/Skills-for-Success.pdf">http://www.durhamcollege.ca/wp-content/uploads/Skills-for-Success.pdf</a>

ADMISSIONS INFORMATION	
<b>2016 Admission scores and selection process for oversubscribed programs</b>	Oversubscribed programs are considered based on high school grades and any post-secondary achievement. For a list of oversubscribed programs and the admission cut off scores for Fall 2015 intakes, please see <a href="http://www.fanshawec.ca/hcp">www.fanshawec.ca/hcp</a>
<b>Selection process for non-oversubscribed programs:</b>	We admit all qualified applicants to open programs up to the start of classes as long as seats are available. The college must receive <b>all</b> supporting documentation before an offer can be made. <a href="http://www.fanshawec.ca/open">www.fanshawec.ca/open</a>
<b>Grade 11 marks:</b>	We use final Grade 11 marks to estimate a prerequisite Grade 12 mark as long as the stream is the same. If the final Grade 11 mark falls below a minimum grade requirement for a prerequisite Grade 12 course, we will estimate using the minimum grade requirement.

<b>Dual credits/SHSM programs:</b>	Yes. For more information call 519-452-4430 extension 4797 or visit <a href="http://fanshawec.ca/scwi">fanshawec.ca/scwi</a>  Credit transfer fees are eliminated for Dual Credit courses completed at Fanshawe College. Credit transfer evaluations will be accepted for Ontario College dual credit requests at no fee.
<b>Alternate offers of admission:</b>	Alternate offers are made when an applicant has been placed on a waitlist for their first choice program or if they are not eligible for their program selection. An alternate offer can vary depending on the program of choice and the availability of an alternate program. The alternate offers will be made starting in March and continue through the admission cycle.
<b>Supplemental admission requirements:</b>	Some programs have identified supplemental requirements to ensure Program Fit. For details, please refer to the specific program page on our website.
<b>Differentials:</b>	C, M and U level courses are considered equally for admission purposes.
<b>Workplace pathways:</b>	Workplace courses do not qualify to be used for admission to Fanshawe College. Students with Workplace credits can take the ACE (Academic and Career Entrance Certificate) program or upgrade their courses through summer or night school.
<b>Upgrading pathways:</b>	Fanshawe College Preparatory programs – These one-year Ontario College Certificate programs prepare students academically for future diploma, advanced diploma and in some cases Bachelor degree programs.
<b>Post-graduate opportunities:</b>	Fanshawe offers a variety of Graduate Certificates. Students can complete this career-oriented education in less than a year. A number of delivery models are available including in-class, on-line and weekend. <a href="http://www.fanshawec.ca/gradstudies">www.fanshawec.ca/gradstudies</a>  Articulation agreements between Fanshawe and a number of universities facilitate university admission for Fanshawe graduates from specific programs by giving credit for college study. Graduates may receive credit for several courses or for a year or more toward a university degree. A complete listing of articulation agreements can be found at <a href="http://fanshawec.ca/university">fanshawec.ca/university</a>
<b>Deferral policy:</b>	If there are seats available, students can change their intake within the academic year.

## ADMISSIONS INFORMATION

<b>2016 Admissions scores and selection process for oversubscribed programs:</b>	First consideration will be given to qualified applicants who submit applications by the Equal Consideration deadline. The number of seats will be determined proportional to number of applicants in each pool (i.e. high school, post-secondary). Selection of most academically qualified applicants from each pool. Practical Nursing (77%); Paramedic (82%) *averages from 15/16. Other waitlisted programs – Welding and Fabrication Technician; Occupational Therapist Assistant and Physiotherapist Assistant; Heating, Refrigeration & Air Conditioning; Arboriculture Co-op; Esthetician; Computer Security & Investigations.
<b>Selection process for non-oversubscribed programs:</b>	Selection based on meeting admission requirements which can be complete or in progress at time of application.

<b>Grade 11 marks:</b>	Overall average is calculated on all completed Grade 11 and 12 courses (final grades only). Courses required for admission can be in progress at time of application and in this case an offer of admission will be conditional upon successful completion.
<b>Dual credits/SHSM programs:</b>	Dual Credit programming offered in partnership with 7 local school boards. Dual Credits earned either through Fleming or through other Colleges may be credited toward diploma or certificate programs. No preferential admissions given to SHSM graduates. Contact William Howe, Manager, Dual Credit Operations william.howe2@flemingcollege.ca.
<b>Alternate offers of admission:</b>	Alternate offers are extended to related programs for qualified applicants of oversubscribed programs who meet admission requirements. Acceptance of alternate offers does not impact consideration of students on waitlist for initial programs of application. Up to 25% of seats are reserved in Practical Nursing, Paramedic and Occupational Therapist Assistant and Physiotherapist Assistant for graduates from Fleming's General Arts and Science – College Health Science Option.
<b>Supplemental admission requirements:</b>	No mandatory requirement for admission consideration (i.e. portfolio). See individual program web pages for information about First Aid, CPR, immunization requirements.
<b>Differentials:</b>	No differentials for C, M, U level courses.
<b>Workplace pathways:</b>	Blasting Techniques, Carpentry Techniques, Carpentry Technician, Esthetician, Heavy Equipment Operator, Office Administration-General, Outdoor Adventure Skills, Outdoor and Adventure Education, Personal Support Worker, Mechanical Techniques-Plumbing, Trades Fundamentals, Welding Techniques, Welding and Fabrication Technician (note: OLC 40 meets the English requirement)
<b>Upgrading pathways:</b>	Academic upgrading available with continuous intake. Many University and College articulations.
<b>Post-graduate opportunities:</b>	18 Post Grad Certificates, 70 Advanced Standing Opportunities and many University Articulations.

<b>Selection process: non-oversubscribed programs</b>	Highest marks in the program prerequisites and any relevant supplementary admission requirements as applicable will receive an “Offer of Admission” in the first round of offers. The program waitlist is determined based on the quality and number of applicants. Meeting the minimum requirements does not guarantee admission to a program.		
<b>Grade 11 marks</b>	Grade 11 marks are considered for “Conditional Offer of Acceptance”. Will consider Grade 11 (U or M) marks in some prerequisite subjects at 70% or higher for conditional offers, depending on the program.		
<b>Dual credits/SHSM</b>	George Brown <b>does not</b> give any advantage to applicants with Dual Credits or Specialist High School Majors (SHSM) in making admissions decisions.		
<b>Alternate offers of admission</b>	Applicants who do not meet the program admission requirements may receive an “Alternate Offer” of admission to a related Pre-Program or Foundation-level course.		
<b>Supplemental admission requirements</b>	Some programs require a letter of intent, interview, portfolio, audition, etc. Academic Departments will issue notification to applicants regarding supplemental admission requirements. See individual program admission requirements for details at <a href="http://georgebrown.ca/programs">georgebrown.ca/programs</a> .		
<b>Differentials</b>	U and C level courses are considered equal in making admission decisions, except for the following: <b>Social Service Worker (C119) / Intervenor for Deafblind (C108) / Child and Youth Care (C133)</b> - English requirement: must have Grade 12 English (4C) of 70% or higher, or Grade 12 English (4U) of 65% or higher.		
<b>Workplace pathways</b>	College Vocational Program accepts students from “Workplace” programs. Learn more about School of Work and College Preparation programs at <a href="http://georgebrown.ca/preparation/programs">georgebrown.ca/preparation/programs</a> .		
<b>Upgrading pathway</b>	Academic Upgrading is available for Mature Students. High school students are not eligible for Academic Upgrading. <a href="http://georgebrown.ca/preparation/programs">georgebrown.ca/preparation/programs</a>		
<b>Post-graduate opportunities</b>	A diploma or degree is an admission requirement for most Post-Graduate programs. Some programs also have a work experience requirement. <a href="http://georgebrown.ca/postgrad/">georgebrown.ca/postgrad/</a>		
<b>Deferral policy</b>	George Brown does not defer Offers of Admission. Apply in the year and term you are able to attend.		
<b>Student with disabilities</b>	The Accessible Learning Services Office provides assistance and arranges academic accommodations for students who have a diagnosed disability and register with our service. Accommodations include, but are not limited to: extra time to write a test, note-taking assistance in class, negotiated extensions for assignments and tutoring. To register, fill out our student information form and submit it to our office along with supporting documentation for your disability or disabilities. <a href="http://georgebrown.ca/disabilityservices.aspx">georgebrown.ca/disabilityservices.aspx</a> Contact us at <a href="mailto:letstalk@georgebrown.ca">letstalk@georgebrown.ca</a> or ext. 2622		
SCHOLARSHIP AND FINANCIAL AID INFORMATION			
<b>Scholarships, bursaries, and awards</b>	In 2015-16, over \$90 million was disbursed in funding from OSAP, 30% off tuition grant, awards, scholarships and bursaries. Information about various financial assistance programs is available at <a href="http://georgebrown.ca/financialaid">georgebrown.ca/financialaid</a> . <b>ADMISSIONS INFORMATION</b>	
<b>2016 admissions scores and selection process for oversubscribed programs:</b>	Applicants are ranked using academic grades and other selection tools such as testing, resumés, etc. Once the desired number of offers has been reached, qualified applicants may be placed on a waiting list.
<b>Selection process for non-oversubscribed programs:</b>	Applicants are ranked based on academic grades. Once the desired number of offers has been reached, qualified applicants are placed on a waiting list.
<b>Grade 11 marks:</b>	Some programs will accept Grade 11 math with a minimum grade of 60%. For programs requiring Grade 12 courses, and if a Grade 11 final grade has been provided, we will use the Grade 11 mark as an estimate until a mid-term or final grade for the Grade 12 course is received.
<b>Dual credits/SHSM programs:</b>	Dual credits will be recognized at Georgian if applicants choose to attend a program for which the course is a requirement. Georgian encourages applicants to prepare to the best of their ability in order to accommodate the courses offered at college. Georgian does not offer advanced standing or preferred entry to applicants with Specialist High Skills Major credits.
<b>Alternate offers of admission:</b>	Georgian will identify whether programs have a winter intake and provide alternative offers if possible. If there is no winter intake, we offer preparatory programs such as Pre-Health Sciences for our health programs or other programs that may be of interest.
<b>Supplemental admission requirements:</b>	First aid, CPR and immunization records are not part of admissions but may be required for registration. Admissions testing may be part of selection and must be completed before a decision can be made.
<b>Differentials:</b>	Georgian does not differentiate between C, M or U level courses for entry into certificate and diploma programs. For degree programs, U or M level courses are required.
<b>Workplace pathways:</b>	Georgian encourages applicants with workplace level credits to write a mature student test to establish equivalencies. Applicants are also advised to contact Student Services or Office of the Registrar to discuss upgrading opportunities.
<b>Upgrading pathways:</b>	Applicants taking upgrading can apply to all certificate and diploma programs.
<b>Post-graduate opportunities:</b>	Georgian offers a variety of graduate certificate programs and has established more than 500 articulation and transfer agreements with 50 universities in Canada and around the world. <b><a href="http://GeorgianCollege.ca/articulations">GeorgianCollege.ca/articulations</a></b>
<b>Deferral policy:</b>	Offers of admission and waiting lists are valid for the current term only. Deferrals are not available.

### ADMISSIONS INFORMATION

<b>2016 Admissions scores and selection process for oversubscribed programs:</b>	An applicant must first meet the minimum required grade(s) in each of a program’s pre-requisite course(s) and then be ranked by an overall average in these courses and any other courses specified. Additional OSSD credits and overall GPA are not calculated during the competition. In the event that the required credits are in progress, the admissions team may refer to the applicant’s relevant Grade 11 mark. Meeting the minimum admission requirements does not guarantee admission.
<b>Selection process for non-oversubscribed programs:</b>	All qualified applicants who apply before Feb. 1 are issued an offer. Qualified applicants who submit applications after Feb. 1 will receive offers on a first-come, first-served basis.
<b>Grade 11 marks:</b>	For non-oversubscribed programs Grade 11 marks are not evaluated during the application process unless the credit is a specific requirement of a program.

<b>Dual credits/SHSM programs:</b>	In partnership with the Hastings Prince Edward, Algonquin Lakeshore Catholic, Kawartha Pine Ridge, Durham Catholic, and the Peterborough Victoria Northumberland and Clarington Catholic district school boards, Loyalist currently offers approximately 25 dual-credit programs. For information on transfer credit please contact the admissions office.
<b>Alternate offers of admission:</b>	Students who do not meet the minimum admission requirements for a desired program, or who are unsuccessful in an admissions competition, are issued an alternate offer to a similar program for which they qualify.
<b>Supplemental admission requirements:</b>	Supplemental admission requirements may be required in select programs. Requirements may include: portfolio, criminal record checks, immunization records, CPR and anaphylaxis certificates.
<b>Differentials:</b>	C, M, U credits are all weighted equally where applicable. Applicants for our Nursing Degree program must possess the required U and M level credits.
<b>Workplace pathways:</b>	<b>General Arts and Science-Workplace (GASW)</b> - This two-semester program offers math, science, business, and communications enrichment, as well as various vocational elective courses. It allows students to broaden their knowledge while developing different career-specific skills. Admission requirements include: Ontario Secondary School diploma with workplace preparation credits, ENG4E
<b>Upgrading pathways:</b>	Certain conditions may allow applicants to gain admission to their desired program by completing our College Prep program or by successfully completing The Canadian Adult Achievement Test (CAAT).
<b>Post-graduate opportunities:</b>	<b>New</b> - Entrepreneurial Studies – Business Launch and Supply Chain Management – Global Logistics. Please visit <a href="http://loyalistcollege.com">loyalistcollege.com</a> for a full list of post-graduate programs.
<b>Deferral policy:</b>	<b>N/A</b>
<b>Student with disabilities:</b>	The <b>AccessAbility Centre (AAC)</b> provides academic supports to students with documented disabilities. Disabilities may include learning, ADHD, mental health, mobility, medical, brain injury, Autism, hearing, and vision. Services are free, voluntary and confidential. Students must self-identify and are encouraged to contact the ACC well in advance of attending. **ADMISSIONS INFORMATION**

<b>2016 Admissions scores and selection process for oversubscribed programs:</b>	For competitive programs, applications received on or before the application deadlines are equally considered, based on published admission requirements and residency priority. Selection is based on the average of final grades in all required courses and, if required, pre-admission test or portfolio scores. Course averages are based on the highest senior level final grade available at the time of evaluation. Mid-term grades are not considered for competitive programs however, grade 11 final grades are considered where the required grade 12 course is in progress. Proof of completed admission requirements must be submitted by the deadlines listed at <a href="http://niagaracollege.ca/dates">niagaracollege.ca/dates</a>
<b>Selection process for non-oversubscribed programs:</b>	Applications to open programs are evaluated based on published admission requirements. When the applicant provides proof of meeting the requirements, an offer of admission can be issued, provided space is available in the program.

<b>Grade 11 marks:</b>	<p><b>Competitive programs:</b> Grade 11 final grades are considered where the required grade 12 course is in progress. (Example: When an applicant is enrolled in a required grade 12 Math, and has no previous final mark for grade 12 Math, evaluation will be based on the final mark for grade 11 Math. Offers of admission granted in this circumstance will be conditional upon successful completion of the required grade 12 Math).</p> <p><b>Non-competitive programs:</b> Where a grade 11 course is required, and is in progress at the time of admissions evaluation, a decision will be rendered upon receipt of a mid-term grade. Offers of admission granted will be conditional upon successful completion of the grade 11 course.</p> <p>A current list of competitive and non-competitive programs is available at <a href="http://niagaracollege.ca/status">niagaracollege.ca/status</a>.</p>
<b>Dual credits/SHSM programs:</b>	<p>Dual credits and SHSM courses are not given extra consideration for admission, however they may be considered for exemption/transfer credit opportunities.</p> <p><b>The college also offers a \$1,000 Specialist High Skills Major Scholarship for applicants who have an average of at least 75% in courses used for admission requirements into a related Niagara College program. Details can be found at <a href="http://www.niagaracollege.ca/shsm">www.niagaracollege.ca/shsm</a>.</b></p>
<b>Alternate offers of admission:</b>	Alternate offers of admission may be issued to related or preparatory programs.
<b>Supplemental admission requirements:</b>	May include: mandatory pre-admission testing, participation in an audition, submission of a portfolio and/or resume. Additional fees may apply.
<b>Differentials:</b>	Niagara does not differentiate between C, M or U level courses.
<b>Workplace pathways:</b>	All post-secondary programs at Niagara require a minimum of C or U level courses. Workplace credits are not considered for admission.
<b>Upgrading pathways:</b>	Preparatory Certificate programs are offered in Pre-Health, Pre-Community, Pre-Media, Pre-Technology and College Exploration. The Academic and Career Entrance (ACE) certificate program is available for candidates who are at least 19 years of age and do not have the required courses for admission.
<b>Post-graduate opportunities:</b>	14 Graduate Certificate programs are offered at Niagara College. Details regarding articulation agreements, degree completion and credit transfer are located at <a href="http://www.niagaracollege.ca">www.niagaracollege.ca</a> .
<b>Deferral policy:</b>	Offers of admission and waiting lists are valid for the current term only. Deferrals are not available.

ADMISSIONS INFORMATION	
<b>2016 Admissions scores and selection process for oversubscribed programs:</b>	Varies from year to year, only minimum requirements are published, however the cut off for highly competitive programs is much higher than the minimum requirement published. Highly competitive Programs are programs that receive more applications than seats available in the program. As a result, applications received by Feb. 1 <sup>st</sup> are ranked in order of priority according to highest academic achievement in the admission requirements published for the program. After the February 1 <sup>st</sup> equal consideration date, applications are waitlisted should seats become available in the program.
<b>Selection process for</b>	Must meet minimum admissions requirements, or be in the process of obtaining

<b>non-oversubscribed programs:</b>	admission course requirements to receive a conditional offer. Proof of registration in high school courses or upgrading is required. Applicants continue to be assessed until September, or until the program cap is reached and then a waitlist is created.
<b>Grade 11 marks:</b>	Marks from Grade 11 may be used by Admissions for students in highly competitive programs, and where Admissions doesn't have Grade 12 marks to base their offer. However, we recommend that applicants, if possible, try to have Grade 12 requirement course(s) for a highly competitive program completed in the first semester of their last year to be more competitive in the process.
<b>Dual credits/SHSM programs:</b>	Dual Credits would be looked at for credit exemption. List of dual credit programs available upon request.
<b>Alternate offers of admission:</b>	Yes. For applicants that do not meet admission requirements for selected programs, they may be given an alternative offer where they do meet the admission requirements, dependent on availability of seats in any given program.
<b>Supplemental admission requirements:</b>	Yes, for Veterinary Sciences, Health Sciences and Community Services placement (First Aid, CPR, Immunization records, police check), no admissions testing. Admission testing is offered to mature students who do not have the required English or Math, (no testing available for sciences). <b>Student population:</b>	650 fulltime students
<b>New programs:</b>	No new programs at this time
<b>Program changes:</b>	Veterinary Technology, both deliveries: Required courses will need to have a minimum 75% final average for the College level, and 65% final average for the University level courses
<b>What’s new:</b>	

### ADMISSIONS INFORMATION

<b>2016 Admissions scores and selection process for oversubscribed programs:</b>	<p>Our over-subscribed program is our Veterinary Technology Diploma. For VT we look at marks in Grade 12 C/U Math and English, Grade 11C/U Biology, Grade 12C/11U Chemistry. College level courses must have a minimum final average of 75% and University level courses must have a minimum final average of 65%. Applicants are also required to write a Health Occupations Aptitude Exam (HOAE) test that is used in their admissions score.</p>
<b>Selection process for non-oversubscribed programs:</b>	<p>OSSD or equivalent, a minimum 60% average, in 6 Grade 11 or Grade 12, C, M, O, or U courses, excluding Co-op credits, including a minimum of Grade 11C Math and Grade 12C English.</p>
<b>Grade 11 marks:</b>	<p>Grade 11 grades will be considered as part of the 6 courses for their required admissions average. If we are looking for a final Grade 12 mark for admissions into an over-subscribed program we will consider Grade 11 marks in the assessment process but the Grade 12 grade must still meet the minimum required average.</p>

<b>Dual credits/SHSM programs:</b>	No Dual credit programs currently available. We host SHSM events on campus for Agriculture, Environmental Management and Horticulture and would be happy to host your students in those programs
<b>Alternate offers of admission:</b>	The only alternate offers that are made are to applicants who have applied to the Veterinary Technology Conventional program. An offer to the Veterinary Technology Alternative program may be granted. For our Veterinary Technology diploma, if students are not successful in offers of admission, we do encourage them to consider our other animal program options (Veterinary Office Administration, Performance Horse Handler, or Agriculture) and normally applications to these programs are still open at this time.
<b>Supplemental admission requirements:</b>	For Veterinary Technology admissions, students are also required to complete 40 hours of work experience in a Vet Clinic. This must be submitted by August 1 <sup>st</sup> of their application year to keep their spot in the program.
<b>Differentials:</b>	For Veterinary Technology admissions, our minimum grade for College level courses is 75% and for University level courses is 65%.
<b>Workplace pathways:</b>	None available
<b>Upgrading pathways:</b>	None available.
<b>Post-graduate opportunities:</b>	None available

<b>Grade 11 marks:</b>	In the absence of mid-term or final Grade 12 marks for pre-requisite subjects for a given program, Grade 11 marks may be considered as criteria in the selection process.			
<b>Dual credits/SHSM programs:</b>	Successfully completed dual credits may be applied as a Seneca credit in a relevant diploma program. The completion of a dual credit does not give the student any advantage in the applicant selection process. Seneca students who have previously completed a Seneca dual credit course may be eligible for a \$1,000 bursary.			
<b>Alternate offers of admission:</b>	Students who do not meet the admission requirements for a program may be given an alternate offer of admission to a different program relevant to their chosen area of study.			
<b>Supplemental admission requirements:</b>	Some Seneca programs use additional admission criteria such as portfolios or skills tests. The following are examples of high-interest programs with additional requirements:			
	<b>Program</b>	<b>Supplemental Admission Requirement</b>		
	Acting for Camera and Voice	Acting Resume and Audition

ADMISSIONS INFORMATION	
2016 Admission scores and selection process for oversubscribed programs	Applicants to some oversubscribed programs are admitted based on a combination of both academic criteria and the ranking of a supplemental assignment. These scored assignments are used in conjunction with the applicant's academic performance. Minimum admission GPAs can be found on our website at <a href="http://guidance.sheridancollege.ca">guidance.sheridancollege.ca</a> .
Selection process for non-oversubscribed programs	Applicants to some programs are admitted based on academic criteria alone. Applicants to these programs are selected on the average of their six highest senior-level credits, including required courses. Sheridan uses a limit of one secondary school cooperative education mark as part of the applicant's six highest senior-level credits or equivalent.
Grade 11 marks	For certificate and diploma programs, appropriate grade 11 marks can be used as electives in the calculation of an admissions average, as long as the applicant is registered in the required courses. Unless specified as an admission requirement, grade 11 courses are NOT used in determining eligibility for admission to degree programs.
Dual credits/SHSM programs	Marks for dual credits and/or SHSM courses will be used in the calculation of admission averages, and will be treated as electives if they are part of the six highest senior-level marks used in the average. They will not be used as pre-requisite courses.

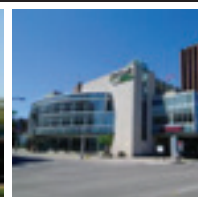

<b>Alternate offers of admission</b>	Applicants who do not meet the admission requirements for their program of choice will be assessed and advised, and may be considered for other related programs.
<b>Supplemental admission requirements</b>	Supplemental admission requirements can include portfolios, auditions, , résumés, questionnaires, creative projects, essays, etc. The Health Occupations Aptitude Exam (HOAE) is required for Pharmacy Technician, Practical Nursing and Veterinary Technician programs.
<b>Differentials</b>	Sheridan does not use grade differentials for C, M or U courses.
<b>Workplace pathways</b>	Sheridan does not accept Workplace credits for admission consideration.
<b>Upgrading pathways</b>	Academic Upgrading provides students with the opportunity to obtain a grade 12 equivalency certificate or to complete courses that may be needed to apply to a college program. Refer to Sheridan’s website for more information.
<b>Post-graduate opportunities</b>	Sheridan currently has twenty-two post-graduate programs in the areas of arts, animation and design, business, applied health and community studies, and science and technology.
<b>Deferral policy</b>	Sheridan defers offers of admission only under extenuating circumstances supported by appropriate documentation. All deferrals are at the discretion of the Registrar.
<b>Students with disabilities</b>	<p><b>Accessible Learning</b> facilitates equitable access for eligible students with disabilities by coordinating appropriate academic accommodations and support services. Students are encouraged to self-identify with the services as early as possible after acceptance to the College so we can ensure their needs are met in a timely manner. Students must present documentation of disability to be eligible to receive services. An IEP may not be sufficient to support accommodations in a postsecondary setting.</p> <p><b>Transitioning into post-secondary:</b> Students with disabilities can also participate in customized programming to assist in their transition into a college setting. These programs are developed to familiarize students with the Sheridan environment and prepare them to become successful students.</p>
<b>SCHOLARSHIP AND FINANCIAL AID INFORMATION</b>	
<b>Scholarships, bursary and awards application information and deadlines</b>	Sheridan has a variety of assistance programs, which are awarded based on demonstrated financial need. Over \$6.5 million in financial assistance is awarded each year in addition to OSAP funds. For more information, go to <a href="http://financialaid.sheridancollege.ca">financialaid.sheridancollege.ca</a> .

<b>WHAT’S NEW?</b>	
<p>Sheridan College is on an exciting journey to become Sheridan U – Ontario’s first undergraduate university, exclusively dedicated to professional and applied education. In addition to our new degree programs, Sheridan will retain one-year certificates and two-and three-year diplomas that are career-focused or meet specific labour market needs, and post-graduate certificates to provide different options for learners. Our skilled trades programs will also continue, and as of September 2017 will re-locate to a brand new facility at our Davis Campus in Brampton.</p> <p>Another unique element will be our first-in-Canada approach to giving our students creative problem-solving skills that will set them apart in the highly competitive global economy. <b>HMC phase 2 will open in September 2016.</b> The expansion project will result in a new facility on the same site, housing state-of-the-art classrooms, studios, labs and production spaces, a Centre for Creative Thinking, and a gallery space to showcase students’ creativity and innovation. The new space will accommodate an additional 3,200 full-time students.</p> <p><b>3D Printing &amp; Robotics:</b> Sheridan’s Centre for Advanced Manufacturing and Design Technologies in Brampton is home to the most sophisticated 3D commercial printers of any Canadian university or college. The ABB Robotics Lab features over 12 robots and related work cells, software and controllers. The newest addition to the Lab is the ABB YuMi robot – a first for Canadian postsecondary institutions.</p>

### ADMISSIONS INFORMATION

<b>2016 Admissions scores and selection process for oversubscribed programs:</b>	With the exception of the Collaborative Nursing Program, admissions to oversubscribed programs will be based on the average of all grades 11 and 12 marks. In addition, the HOAE test is required for Cardiovascular Technology, Diagnostic Medical Sonography, Respiratory Therapy, Dental Hygiene, Medical Laboratory Science and Veterinary Technician programs. <i>*Collaborative Nursing is based on the average of final first semester grade 12 required (U) courses. If you have not taken the required Chemistry or Biology in your first semester of Grade 12, your Grade 11 (U) marks will be used.</i>
<b>Selection process for non-oversubscribed programs:</b>	Ontario Secondary School Diploma (OSSD) with a majority of credits at the College (C), University (U), College/University (M), or Open (O) level or equivalent. All applicants must meet program specific requirements.
<b>Grade 11 Marks:</b>	For oversubscribed programs, with the exception of Collaborative Nursing, applicants are ranked by the average of all grades 11 and 12 marks. Also for selected “popular” programs, a grade 12 <b>English</b> mark will be used for ranking purposes. If a grade 12 English is not available, the grade 11 English mark will be used.

<b>Dual Credits/SHSM Programs:</b>	St. Clair College offers a number of courses through the Dual Credit Program. For further information, please contact: Art Barron at abarron@stclaircollege.ca or 519-972-2727 ext.5403
